

# The Katlyn Tarud Memorial Scholarship Fund

---

Katlyn Tarud was killed in a tragic car accident at the age of 27 years old. Loved by many, Katie was known for her contagious smile and loving and joyful spirit. She was a mother to three children: Liam, Lyla, and her unborn child Randy who also perished in the accident. Liam and Lyla began attending Immanuel Christian School after Katie's passing. They are being raised by their single dad and are fortunate to have loving grandparents in their life.

Since the founding of the school, ICS has valued bringing the good news of Jesus Christ and the hope found in Him to the students and families we serve. In recent years, we have been serving an increasing amount of children who, like Liam and Lyla, have lost a parent.

*"Listening to my grandchildren use scripture in the simplest things they do – like building legos, asking out of the blue if we can pray, then seeing them appreciate the little things so many children take for granted – is such an amazing feeling. God is definitely using ICS to fill a huge void in their lives that only He can do."*

## Contributions in Memory of Katie

The priority recipients of the Katlyn Tarud Memorial Scholarship Fund are students who have lost a parent and/or are being raised by grandparents. Scholarships are also awarded to low-income families.

Your donation makes the ICS education affordable to students whose life situation would normally preclude them from a private-school education. Thank you for your support of children like Liam and Lyla.
